

Dear Friend:

New for 2017-2018, we invite you to become a St. Anthony of Padua Catholic School Community Partner.

St. Anthony of Padua Catholic School is a thriving Catholic School located in The Woodlands, TX and serves nearly 500 students in PreK-3 through 8th grade. Our school would not exist without the support and engagement of our community members and businesses. We recognize that as a school we are educating and preparing our students to be active members and respected leaders of future business, church, and social endeavors. To support this mission, we draw on a combination of tuition as well as donations and fundraising activities to meet our budget each year. Our fundraising events each year are generously supported through donations by parish and school families and the business community.

Our Community Partner program consists of an annual commitment, which runs for the length of the 2017-2018 school year. Community Partners will receive invaluable benefits and unprecedented visibility within our school community throughout the year. We encourage you to read through the attached details of the levels of commitment available and the benefits and support you will receive as a partner.

Please contact us in the school office at 281-296-0300, or email us directly at advancement@staopcs.org for more information, to ask any questions, or to start on your way toward becoming one of our Community Partners today. Thank you in advance for your consideration and contribution! Your commitment will have an immediate and positive impact on the education of our students.

Sincerely,
