

Dear Friend:

We invite you to become a St. Anthony of Padua Catholic School Community Partner.

St. Anthony of Padua Catholic School is a thriving Catholic School located in The Woodlands, TX and serves over 460 students in Pre-K3 through 8th grade. Our school would not exist without the support and engagement of our community members and businesses. We recognize that as a school we are educating and preparing our students to be active members and respected leaders of future business, church, and social endeavors. To support this mission, we draw on a combination of tuition as well as donations and fundraising activities to meet our budget each year. Our fundraising events each year are generously supported through donations by parish and school families and the greater community.

Our Community Partner program consists of an annual commitment, which runs for the length of the 2018-2019 school year. Community Partners will receive invaluable visibility within our school community throughout the year. We encourage you to read through the attached details of the levels of commitment available and the benefits you will receive as a partner.

Please contact us in the school office at 281-296-0300, or email us directly at advancement@staopcs.org for more information. Thank you in advance for your consideration and contribution! Your commitment will have an immediate and positive impact on the education of our students.

Sincerely,

A handwritten signature in black ink that reads "Katie Tressel".
