Dear Parent/ Guardians,

This year we will be offering the Jr. Master Gardening Program for 1st grade through 5th grade.

The theme this year will be "Secrets of a Garden". There is something very special about growing plants whether it is vegetables, flowers, herbs or fruit! We will explore the many wonders of one small garden; plants growing, bugs nibbling, birds chirping, and small animals.

Grades 1st through 5th will meet on the first Thursday of the month. Times will be from 3:45 – 5:15 p.m.

If your child is interested in joining our JMG program please fill out the permission slip below and return it to school by Friday, Sept. 21, 2018.

Any questions, please contact,
